

Monitoring and Control Systems (MCS)

Steve Hahn
MCS Meeting
03/30/2004

- **Problems:**
 - **Network problems (VNODE1, network errors, ICICLE crashes, etc.)**
 - Router for iFIX network to replace hub
 - NETDIAG? Check it out
 - **Many problems with MUON3 Sunday night; presumably, caused by backup**
 - Manual backups
 - Some confusion on shift crew's part?
 - **What else?**
